

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
158	PT. Marunda Graha Mineral	Design, engineering, procurement, manufacturing and Installation including test and commissioning for Diesel Oil Storage Tank Plant.	2012	Banguang - Central of Kalimantan	E.P.C
157	PT. JGC - Indonesia	Design, engineering, procurement, manufacturing for Drum Heater for Noll Project at MM 2100	2011	MM 2100 - Cibitung West Java	E.P
156	Tsukishima Kikai Co., Ltd	Engineering design, procurement / manufacturing, test & inspection, packing and transportation for Cyclone, Separator, Sand Catchers and Air Lifters for ICA - Tayan Alumina Project - West Kalimantan.	2011 - 2012	Tayan - West Kalimantan	E.P
155	Tsukishima Kikai Co., Ltd	Engineering design, procurement / manufacturing, test & inspection, packing and transportation for Air Sliders and air chambers for ICA - Tayan Alumina Project - West Kalimantan.	2011 - 2012	Tayan - West Kalimantan	E.P
154	Artawa Indonesia	Design and engineering for precipitator and thickener for Tayan Alumina Project. Scope of work : Strength calculation, assembly drawing, detail drawing, cutting pland and as built drawing.	2011	Tayan - West Kalimantan	E
153	PT. Aetra Air Jakarta	Design, engineering, procurement, manufacturing and instalation for recondition coarse screen at Buaran	2011	Buaran - East Jakarta	E.P.C
152	PT. Neomax	Engineering and Procurement / Manufacturing and installation supervision for Rotort roasting kiln.	2011	Cilegon - Banten	
151	PT. Lautan Otsuka Chemicals	Design and Engineering, procurement and fabrication of Gas Scrubber	2011	Cilegon - Banten	E.P
150	PT. Komatsu Undercarriage Indonesia	Design, manufacturing and installation of Plat form for OM turning machines.	2011	Cikarang - West Java	E.P.C
149	SEAMEC Asia	Engineering, procurement / manufacturing, installation work, test and commissioning for bag filter, scruber, tank, carbon absorber tank and other equipments for PT. Perdic (Chemical plant)	2011	Tangerang - Banten	E.P.C
148	Butra Heidelberg Cement Brunei	Engineering and procurement / manufacturing of rotary valve for cement plant at Brunei Darussalam	2011	Brunei Darussalam	E.P
147	Tsukishima Kikai Co., Ltd	Partial design, procurement / manufacturing, test & inspection, packing and transportation for Tank & pot for the model project for ethanol production from molasses, NEDO - PTPN X Mojokerto	2011	Mojokerto - East Java	E.P
146	PT. Komatsu Undercarriage Indonesia	Procurement and installation of mechanical and electrical for Moriseiki NL2500/700 machine	2010	Cikarang - West Java	P.C
145	Komatsu Undercarriage Ind	Procurement and insttallation of roller for furnace No. 3 System	2010	Cikarang - West Java	P.C
144	PT. Semen Baturaja	Engineering, procurement and installation of electrical and instrument system for modification limestone silo to cement silo, including integrated programming to existing control system.	2010	Baturaja - South Sumatra	E.P.C

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
143	PT. Aneka Tambang Unit Pongkor	Engineering, procurement and insattaltion of foundation work for AOP tank and control room	2010	Pongkor - Bogor	E.P.C
142	PT. Aneka Tambang Unit Pongkor	Engineering, procurement / manufacturing, installation, test and commissioning for conveyor system for oversize ball mill material	2010	Pongkor - Bogor	E.P.C
141	PT. Bio Greenland	Engineering, procurement / manufacturing, test and inspection, packing and delivery of Steam Processing Kettle (pressure vessel).	2010	Jakarta	E.P
140	PT. CCM Agripharma	Engineering and procurement for load cell for bagging system,	2010	Medan	E.P
139	PT. Cibaliung Sumberdaya	Supply lubricating oil, pneumatic tool engine and lubricating for mitsubishi engine diesel.	2010	Cibaliung - Banten	P
138	PT. JGC Indonesia	Engineering, procurement / manufacturing, test and inspection, packing and delivery and installation supervising for JCF Project, coal liquefaction pilot plant project, NEDO - JGC	2010	Karawang - West Java	E.P
137	PT. Cibaliung Sumberdaya	Maintenance service Mitsubishi diesel engine No. 1 and No. 2	2010	Cibaliung - Banten	M
136	PT. Komatsu Undercarriage Indonesia	Engineering, procurement, installation, test and commissioning for transformer 52 KVA for new furnace	2010	Cikarang - West Java	E.P.C
135	PT. Semen Tonasa	Fabrication Equipment Bin & Chute for Expansion Cement Tonasa No. V	2010	Tonasa - South Sulawesi	P
134	PT. Aneka Tambang unit Pomalaa	Engineering, procurement and installation, test and commissioning for high voltage panel for water intake	2010	Pomalaa - Southeast Sulawesi	E.P.C
133	PT. Komatsu Undercarriage Indonesia	Procurement of accessories and installation of HMC machine and OM tuning machine. Engineering, procurement, installation, test and commissioning transformer 150 KVA	2010	Cikarang - West Java	P.C and EPC
132	PT. Cibaliung Sumberdaya	Maintenance service Mitsubishi diesel engine No. 3	2010	Cibaliung - Banten	M
131	PT. Aneka Tambang Unit Pongkor	Supply of Feed Box & Cone Section Set Mill Cyclone Plant	2010	Pongkor - Bogor	P
130	PT. Komatsu Undercarriage Indonesia	Engineering and procurement of furnace accessories and furnace installation	2010	Cikarang - West Java	E.P.C
129	PT. Maruhachi Indonesia	Repairing and maintenance of PE Tank	2010	Cikarang - West Java	M
128	PT. Aetra Air Jakarta	Engineering, procurement / manufacturing, installation, test and commissioning for recondition of 8 sets filter basin	2010	Jakarta	E.P.C
127	PT. Lautan Otsuka Chemicals	Installation of bearing and chain conveyor for bucket elevator system	2010	Anyer - Banten	M
126	PT. Cibaliung Sumberdaya	Engineering, procurement and installation of exhaust fan for gold room	2010	Cibaliung - Banten	E.P.C

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
125	Coral Bay Nickel Corporation - Philippines	Supply moly gear 1500 spray 420 mL, oil seal, switch zero speed	2010	Philippines	P
124	PT. Aneka Tambang Unit Pomalaa	Supply of shield water cooled FeNi #1, #2, #3	2010	Pomalaa - Southeast Sulawesi	P
123	PT. Kapurindo Sentana Baja	Engineering, procurement / manufacturing, installation, test and commissioning agitator and classifier unit for limestone plant.	2010	Cilegon - Banten	E. P.C
122	PT. Cibaliung Sumberdaya	Engineering, procurement / manufacturing, installation, test and commissioning jib crane and monorail	2010	Cibaliung - Banten	P.C
121	PT. Aneka Tambang Unit Pongkor	Recondition shaft trunnion discharge ball mill	2010	Pongkor - Bogor	M
120	PT. NBC Indonesia	Maintenance of waste water system	2010	Karawang - West Java	M
119	PT. Aetra Air Jakarta	Engineering, procurement, installation, test and commissioning for renewal / refurbishment of mechanical and electrical of scrapper unit.	2009	Jakarta	E.P.C
118	PT. Tifico	Engineering, procurement / manufacturing, installation, test and commissioning for chain conveyor system & screw feeder	2009	Tangerang - Banten	E.P.C
117	PT. Cibaliung Sumberdaya	Engineering, procurement, installation, test and commissioning for diesel power plant 3 x 1.5 MW	2009	Cibaliung - Banten	E.P.C
116	PT. Cibaliung Sumberdaya	Supply of motor of SAG mill 1.400 KW	2009	Banten	P
115	PT. Tifico	Engineering, procurement / manufacturing, installation, test and commissioning drum crusher and blade	2009	Tangerang - Banten	E.P.C
114	PT. NX Indonesia	Manufacturing, inspection and test, packing and delivery retort of drying kiln and rotary rotary cooler	2009	Cilegon - Banten	P
113	PT. Aneka Tambang Unit Pongkor	Supply / manufacturing one unit electro wining cell storage	2009	Pongkor - Bogor	P
112	PT. Aneka Tambang Unit Pongkor	Supply / manufacturing and installataion of gravity concentration circuit	2009	Pongkor - Bogor	P.C
111	PT. Aneka Tambang Unit Pongkor	Supply / manufacturing and installation shaft agitator and air dispeser	2009	Pongkor - Bogor	P.C
110	PT. Aneka Tambang Unit Pongkor	Recondition electro wining cell storage #1 and #4, plant #2	2009	Pongkor - Bogor	M
109	PT. Petrokimia Gresik	Engineering, procurement / manufacturing, installation, test and commissioning for coater drum RFO PF II	2008	Gresik - East Java	E.P.C
108	PT. Aneka Tambang unit Pomalaa	Engineering, procurement / manufacturing, inspection, packing and delivery of shaft screw spiral classifier	2008	Pomalaa - Southeast Sulawesi	E, P

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
107	PT. CCM Agripharma	Engineering, procurement / manufacturing, installation, test and commissioning for reclaiming and bagging system for NPK product.	2008	Medan - Sumatra	E.P.C
106	PT. CCM Agripharma	Engineering, procurement / manufacturing, installation, test and commissioning for rock phosphate grinding mill for NPK fertilizer plant	2008	Medan - Sumatra	E.P.C
105	PT.Tanjung Enim Lestari	Supply of material, manufacturing, Installation, test and commissioning for new line hydrant	2008	Palembang - South Sumatra	P. C
104	JGC - Philippines	Supply seal shaft, carbon and rubber / coral, belt cleaner assy, carbon scrapper	2008	Philippines	P
103	Nippon Metal - Japan	Modification work for Toyota ringhood and ducting	2008	Jakarta	P.C
102	Moritani & Co.Ltd	Manufacturing of SWGR steel structure for Wayang Windu Geothermal Power Plant.	2008	Bandung - West Java	P
101	PT. Aneka Tambang Unit Pongkor	Repairing plate elution columb plant #1	2008	Bogor - West Java	M
100	PT. Aneka Tambang Unit Pongkor	Fabrication of electro winning cell plant storage	2008	Bogor - West Java	P
99	PT. Lautan Otsuka Chemicals	Engineering, procurement / manufacturing, installation, test and commissioning for AZ ultra plant 3 expansion line.	2007	Anyer - Banten	E.P.C
98	PT. Asian Isuzu Casting	Rail replacement	2007	Karawang - West Java	P.C
97	PT. Toyota Motor Manufacturing Indonesia	Manufacturing / procurement, installation, test and commissioning for dust collecting system	2007	Jakarta	P.C
96	PT. Ebara Prima Indonesia	Engineering, procurement / manufacturing, installation, test and commissioning Yamaha Waste Water Treatment Plant project	2007	Karawang - West Java	E.P.C
95	PT. Lautan Otsuka Chemicals	Engineering, procurement / manufacturing, installation, test and commissioning bucket elevator and screw conveyor	2007	Anyer - Banten	E.P.C
94	Kobe Steel ,Ltd - Japan	Engineering, procurement / manufacturing, test and inspection for net conveyor, bag filter, mixer, screw conveyor, rotary valve, slide gate for UBC demonstration plant project.	2007	Satui - South Kalimantan	E.P
93	PT. Krakatau Engineering	Procurement and manufacturing of pipe shoe hot dip galvanized	2007	Cilegon - Banten	P
92	PT. Sentra Usaha Tama Jaya	Engineering, procurement / manufacturing, test and inspection for fly ash handling system for EP 1 & 2	2006	Anyer - Banten	E.P
91	PT. Styrimo Monomer	Engineering, procurement / manufacturing, test and inspection for fly ash handling system for EP	2006	Anyer - Banten	E.P
90	Korean Chemical Co.,Ltd	Design and engineering thickener	2006	Korea	E

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
89	PT. Tanjung Enim Lestari	Design and engineering of new hydrant pipe system	2006	Tanjung Enim - South Sumatra	E
88	PT. Tanjung Enim Lestari	Installation work for heavy oil kiln burner	2006	Tanjung Enim - South Sumatra	C
87	PT. Adiwira Presisi Industri	Installation and construction of 1000 kVA generator	2006	Bogor - West Java	C
86	PT. Adiwira Presisi Industri	Supply of 1000 kVA generator	2006	Bogor - West Java	P
85	PT. Tanjung Enim Lestari	Engineering & design of the modification to the receiving, storing, and burning system for use of heavy oil for the lime kiln	2006	Tanjung Enim - South Sumatra	E
84	Showa Environmental System Co.,Ltd	Engineering, supply material & manufacturing of adsorption & balancing tank for PSA oxygen plant	2006	Nagoya, Japan	E.P
83	PT. Tanjung Enim Lestari	Fabrication of top casing for disc chipper	2005	Tanjung Enim - South Sumatra	P
82	Otsuka Iron Works.,Ltd	Engineering, supply material & manufacturing, test, inspection, packing and delivery of trommel for granite stone for Bintan project	2005	Bintan, Sumatera	E.P
81	PT. Komatsu Indonesia	Manufacturing / procurement, installation, test and inspection of dust collecting system	2005	Jakarta	E.P
80	PT. Komatsu Indonesia	Partial engineering of charging forklift, manufacturing of Furnace and charging forklift, installation, test and inspection.	2005	Jakarta	E.P. C
79	Kobe Steel Co.,Ltd	Feasibility Study and cost estimation of UBC demo plant (600T/D)	2005	Kalimantan	E
78	Nagata Eng., Ltd / Yamamoto Industries.,Ltd	Engineering, procurement / manufacturing, installation, test and commissioning for high efficiency of coal preparation system	2005	Ombilin	E.P.C
77	Moritani / HPC	Engineering, procurement / manufacturing, test and inspection for drum & vessel for SAK-II Singapore project	2005	Singapore	E.P
76	PT. NBC Indonesia	Supply of vibrating feeder and installation for waste water treatment plant	2004	Karawang - West Java	P.C
75	Kawasaki Plant System	Partial engineering (conveyor, drier, water treatment plant, slag treatment and others), procurement / manufacturing of equipment for system1,2,3,4), test and inspection, installation supervising for Nickel 3 (Fe-Ni 3) plant expansion project	2004	Pomalaa - Southeast Sulawesi	E.P
74	JGC Yokohama	Engineering, procurement / manufacturing, test and inspection for H2S scrubber system for Rio Tuba nickel project	2004	Philippines	E.P
73	PT. Sumimagne Utama	Replacement (manufacturing new section and installation) of retort of roasting kiln	2003	Cilegon - Banten	P. C

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
72	PT. Tekmira / Kobe Steel	Partial engineering, partial manufacturing and installation of equipment for pilot plant upgrading brown coal (UBC) project	2003	Palimanan - Cirebon	E. P. C
71	PHS Plant	Manufacturing of equipment for TPF Project	2003	Arab Saudi	P
70	PT. MAP - I	Engineering, procurement, installation test and commissioning rotary kiln	2003	Cikampek - West Java	E.P. C
69	PT. Indocement Tunggul Perkasa	Engineering, procurement / manufacturing, test and inspection cyclone	2003	Cirebon West Java	E.P
68	Shinko Plant Eng. Co. Ltd	Supply of emergency generator for upgrading brown coal pilot project.	2003	Cirebon West Java	P
67	Shinko Plant Eng. Co. Ltd	Procurement and manufacturing of structure for upgrading coal pilot plant project	2003	Cirebon West Java	E.P
66	JGC - Yokohama	Design & engineering, procurement / manufacturing of, test and inspection for material handling and crushing machine for lime stone crushing plant for Rio Tuba Nickel HPP project	2003	Philippines	E.P
65	JGC - Yokohama	Design & engineering, procurement / manufacturing, test and inspection for material handling and drum washer machine, vibrating screen machine for ore nickel for Rio Tuba Nickel HPP project	2003	Philippines	E.P
64	MAP - I	Design, engineering, procurement, installation, test and commissioning for dust collecting system for MAP - I project.	2003	Cikampek	E.P.C
63	PT. Adiwira Presisi Industri	Supply and installation 1000 KVA power generating system	2003	Cikarang - West Java	P.C
62	Tekmira / Kobe Steel	Partial engineering, procurement / manufacturing and installation utility system for upgrading coal pilot project	2003	Cirebon -West Java	E.P
61	PT. Indopherin Jaya	Engineering, procurement / manufacturing, installation, test and commissioning for reactor, pressure vessel, heat exchanger, storage area, vacuum ejector, chemical pump, chiller and cooling system, cooling tower system, piping and utility for plant expansion	2003	Probolinggo - East Java	E. P. C
60	Kobe Steel - Japan	Feasibility study for coal liquefaction plant (BCL Project)	2002	Kalimantan	E
59	PT. Surabaya Autocomp Industries	Engineering, procurement / manufacturing, test, inspection and installation supervision for conveyor system (9 lines) for cable manufacturing.	2002	Surabaya - East Java	E.P
58	Kawasaki Plant System	Partial engineering, procurement / manufacturing, inspection, packing and delivery for belt conveyor for coal handling Maisuru Power Plant - Japan.	2002	Japan	E.P
57	PT. Indopherin Jaya	Engineering, procurement / manufacturing, installation test and commissioning for thermal oil boiler and heat system	2002	Probolinggo - East Java	E.P.C

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
56	PT. Aica Indonesia	Engineering, procurement / manufacturing, installation, test and commissioning for Resin & dryer plant expansion	2002	Bekasi - West Java	E.P.C
55	PT. Aica Indonesia	Engineering, procurement / manufacturing, installation, test and commissioning for melamine plant expansion	2002	Bekasi - West Java	E.P.C
54	Kobe Steel - Japan	Basic study for fine coal briquette	2002	Sumatra	E
53	Tsukishima Kikai Co., Ltd	Engineering, procurement / manufacturing, test and inspection, supervising of installation for Rotary dryer system and bag filter for toyota bio fodder plant project.	2002	Lampung - Sumatra	E.P
52	PT. Indopherin Jaya	Engineering, procurement / manufacturing, installation, test and commissioning for Pulverizer system expansion project (Bag filter, conveyor system, pressure vessel, pump, utility and others)	2002	Probolinggo - East Java	E.P.C
51	Hashimoto Sangyo - Japan	Engineering, Procurement / manufacturing, test and inspection, installation supervising for bag filter for Philippines coal plant	2002	Philippines	E.P
50	PT. Aica Indonesia	Engineering, procurement / manufacturing, installation, test and commissioning for phenol plant expansion project	2001	Bekasi - West Java	E.P.C
49	Sumitomo Metal Mining - Japan	Design and engineering, procurement and manufacturing, test and inspection for Polluted soil renewal equipment	2001	Tokyo	E.P
48	PT. NBC Indonesia	Design and engineering, procurement / manufacturing, installation, test and commissioning for waste water treatment plant	2001	Karawang - West Java	E.P.C
47	PT. Taikisha Indonesia	Design and engineering, manufacturing, installation, test and commissioning for gas scrubber (H ₂ S) for toshiba plant	2001	Cikarang - West Java	E.P.C
46	Nisso Iwai - Japan	Basic study for BCL-project (coal liquification)	2001	Sumatra	E
45	PT. Asahimas Chemical	Electrical distribution work for NaOH new plant	2001	Anyer - Banten	E
44	Mitsui Chemical Co.,Ltd	Design and engineering, procurement and manufacturing, test and inspection, installation supervising for bag filter system for MBS-III plant Singapore.	2001	Singapore	E.P
43	PT. Hanwa Chemical	Design and engineering, procurement and manufacturing, test and inspection for agitator system.	2001	Cikarang - West Java	E.P
42	K.K Nakamura - Japan	Pickling waste water treatment	2001	Tokyo	P
41	PT. Bayer	Design and engineering, procurement / manufacturing, test and inspection for incinerator	2001	Jakarta	E.P

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
40	Mitsui. Co. Ltd	Design and engineering, procurement and manufacturing, test and inspection for dust collector system	2000	Cirebon -West Java	E.P
39	PT. Sumimagne Utama	Design and engineering, procurement and manufacturing, installation, test and commissioning RHK pallet handling system	2000	Cilegon - Banten	E.P. C
38	PT. Indac International	Partial engineering, procurement / manufacturing, test and inspection for GP powder furnace	2000	Cibinong - West Java	E.P
37	PT. Sumimagne Utama	Design and engineering, procurement / manufacturing, installation, test and commissioning for muffle furnace	2000	Cilegon - Banten	E.P.C
36	PT. Sumimagne Utama	Design and engineering, procurement and manufacturing, installation, test and commissioning for 3 sets of ball mil for grinding material	2000	Cilegon - Banten	E.P.C
35	PT. ReKayasa Industri	Design and engineering, procurement and manufacturing, test and inspection for dust collector for NPK Project- Petrokimia Gresik	2000	Gresik - East Java	E.P
34	PT. Sumimagne Utama	Design and engineering, procurement / manufacturing, installation, test and commissioning for low voltage equipment	2000	Cilegon - Banten	E.P.C
33	PT. Sumimagne Utama	Design and engineering, procurement / manufacturing, installation, test and commissioning for 20 KV electrical distribution, expansion factory.	2000	Cilegon - Banten	E.P.C
32	Mecbelosa	Filter press for WTP of Kwh meter plant	2000	Pulogadung	E.P
31	PT. Sumimagne Utama	Design and engineering, procurement and manufacturing, installation, test and commissioning for electrical work package for magnet plant expansion	2000	Cilegon - Banten	E.P.C
30	Kawasaki Plant System	Design and engineering, procurement and manufacturing, test and inspection for dust collector for P-11 cement plant	2000	Cibinong - West Java	E.P
29	Ishigaki - Japan	Partial design and engineering, procurement and manufacturing, installation, test and commissioning for Ombilin filtration water treatment plant system.	2000	Bukit Asam - South Kalimantan	E.P.C
28	PT. Ferromas	Partial design and engineering, procurement / manufacturing, installation, test and commissioning for Ferromas smelting furnace no 6	1999	Cikarang - West Java	E.P.C
27	Mitsui Mining Co.	Partial design and engineering, procurement and manufacturing, installation for ducting & platform coal bricket plant.	1999	Cirebon -West Java	E.P.C
26	PT. Sumimagne Utama	Maintenance factory / electrical inspection	1998	Cilegon - Banten	M

NO	CLIENT	PROJECT NAME	YEAR OF PROJECT	LOCATION	SCOPE
25	PT. SMMEP Indonesia	Modification water treatment plant	1998	Cikarang - West Java	P.C
